

# LIGHT·REBEL

## ORGANIC PEAT REDUCED FERTILIZED SUBSTRATE

### WHAT IS LIGHT·REBEL?

**LIGHT·REBEL**, your plants' organic haven! Crafted from premium raw materials, this lightly fertilized and peat reduced substrate radiates positive vibes for your plant life. Its airy blend is a perfect match for planting both indoor and outdoor, creating an ideal space for growing flavorful flowers, veggies and herbs. Elevate your plant game with **LIGHT·REBEL** – where organic meets Rasta vibes!

### HOW TO USE IT

Upon opening the bag, pour the substrate needed depending on your pots. This substrate is ready to use, but you can add as much fertilizers or amendments as desired. You can use **LIGHT·REBEL** from the vegetative phase up until the end of the crop cycle as well as during cloning and seedling processes. Hydrate the substrate properly, using a balanced ratio of water in order to maintain a good humidity bulb.
